Title: QUALITY POLICY

Quality Policy N° PS 00

THE COMPANY'S QUALITY POLICY

Zodiac Maritime Limited is totally committed to achieving a flawless operation with particular emphasis being placed upon marine safety, safe working practices and the protection of the marine environment. To achieve our goal of no accidents, incidents or pollution the managers set measurable targets for all the relevant departments and functions.

Efficient & effective ship management and cargo care are considered to be our commercial objectives.

The success of the Company has been built upon our founder's core business values of reliability, integrity and hard work and we are committed to provide services that consistently exceed our customer's needs and requirements.

Customer satisfaction and the good name of the Company are directly dependent upon this working philosophy.

These high standards of work and safety will be achieved by operating a dynamic and continually improving management system which meets the requirements of the International Standards ISO 9001:2015, ISO 14001:2015, OHSAS 18001: 2007, ISO 50001 and the IMO's International Safety Management Code.

We aim to remain one of the world's leading ship management companies by continual improvement and innovation, which requires the active participation and endeavor of all shore staff and seagoing personnel.

Compliance with this policy, the quality procedures and shipboard instructions is binding upon all shore staff and seagoing personnel. Quality is the responsibility of everyone working for and on behalf of Zodiac Maritime Limited.

Signed

Daniel Ofer
